

**PRESERVING THE PAST FOR THE FUTURE !!**

May 2018

Dear Members,

It is SHOW TIME! Are you ready to work? Our show will make a memorable impression on those who come to see if, and only if, we all put forth the effort to make it a memorable experience.

--- --- --- from the May meeting --- --- ---

- ❖ This is an abbreviated newsletter due to the short time before our show, but we do not want to short our time in prayer for our friends and loved ones.
  - ❖ Keith Blair
  - ❖ Vicki Danner
  - ❖ Dee Stewart
  - ❖ Reba Reinhardt
  - ❖ Jim Brown
  - ❖ Tammy Hoyle
  - ❖ Vee Williams (& Howard)
  - ❖ Lorna Sheets
  - ❖ Billie Sue Goforth
  - ❖ Steve Hefner
  - ❖ Vicki Hastings
  - ❖ Ira Cline
  - ❖ James Grant
  - ❖ Larry Sigmon
  - ❖ Kelly Blanton
  - ❖ Rev. Bobby Langston
  - ❖ Don Johnson
  - ❖ Kay Nash
- ❖ We lost another who had been one of our members and one for whom we had been praying – Carl Switzer.
- ❖ The new weekly schedule has been announced before, but since it is so significant, we want to reiterate it again. This year, the Legion has graciously decided to scale back the Flea Market as they do during Fair week – placing the sales area outside the midway. By doing this we now have the opportunity to begin setting up earlier in the week.
  - ❖ Grounds preparation will begin on Tuesday (mowing, speaker setup, etc.).
  - ❖ Wednesday is the day when we can start hauling in display items. (We'll be announcing exact times as we get closer.) Security will be on-site Wednesday night.
  - ❖ **On Thursday morning PLEASE DO NOT attempt to haul in while the Flea Market is going on.** We do not want to do anything to jeopardize this newly acquired early set up because someone could not follow the rules. If you need to haul in on Thursday, please wait till after 3PM.
  - ❖ Security will be on-site Thursday night.
  - ❖ Friday will be a normal show day, as it always has been.
  - ❖ With the added setup time, pre-registration is needed more than ever. If you have not pre-registered, please go by the registration trailer and register when you arrive.

- ❖ If you have not pre-paid the \$25 electrical fee (payable to the American Legion), and you plan to utilize electrical power during the show, we ask that you contact Charles Bentley who will be collecting the fees.
- ❖ Golf carts will be available for rent. Rates will be the same as last year. If you want to reserve one, please call Golf Carts of Hickory (828) 855-1291 and they will have it there waiting for you. Howard Reinhardt will be coordinating all golf-carts and handicap scooters at the Country Store.
- ❖ We are always in need of assistance in quite a few areas before, during, and after the show. Mowing on Tuesday, speaker-wire setup on Tuesday evening, exhibitor ushering on Wednesday, Thursday afternoon, and Friday, ticket gate, store building, sawmill, and clean-up on Sunday, just to name a few. Please make an effort to lend a hand somewhere during the show.
- ❖ Please note, we do have a signup sheet for the gate (where admission is collected). Times are set in one hour increment so individuals do not have to spend lots of time working the gate. This was done in hopes of encouraging people sign up early, filling up the sheet. To date, over half the times slots are open. This is one of the important areas that we have to have people working. PLEASE step up and help out at the gate. It is unfair for other members to have to spend countless hours working the gate with little to no time to enjoy the show. Please do not be that member who sits back in our lawn chair watching others do all the work
- ❖ At the end of this letter is a listing of the guidelines for the show. Please become familiar with them because they are keys to everything working as it should.

--- --- **F-M Engine update** --- --- ---

- ❖ The official crank-up occurred on April 28. A good article was printed into the Newton Observer News Enterprise announcing this new addition. If you have not seen it yet, hopefully you will have an opportunity during the show to see it run.

**-- --- --- something to think about --- --- ---**

Our Creator God designed us to have two hands to do meaningful work, two feet to go where we want to go, two eyes to see His wonder, two ears to hear His truth, two nostrils to breathe in the breath of life. But He only gave us one mouth and one brain. Why? If everything is paired (in two's) to be effective, where is our other mouth? Where is our other brain?

Jesus Christ, via holy spirit in us, is our other mouth giving us the righteous words we need to speak. Jesus Christ is our other brain teaching us what we need to know and guiding us to think what we need to think so that our hands can do the righteous works that need to be done, and so that our feet can take us where we need to go.

The prideful heart of man says: "I can think, say, and do what I want."

The heart of a true Christian in Christ says: "I will think, say, and do what my Lord gives me."

Which is your heart today?

God bless you all.

Hope to see you at the show.

Your Secretary, David Setzer
