

FOOTHILLS

ANTIQU
POWER
ASSOCIATION
ESTABLISHED 2003

PRESERVING THE PAST FOR THE FUTURE !!

Hi Fellow Members,

September 2008

**Happy 5th
Anniversary**

Can you believe that it's been 5 years since we first began?????? Some 40 or more guys (& gals) got together in October of 2003 in the warehouse of Hydrotex. Then presto: Foothills Antique Power Association was created!!! *And we an't done bad.* After 5 very successful shows, we've brought in over \$46,000 for our charities and have grown from 40 members to close to 240.

Elections are coming up at the October meeting. Please come to this meeting and participate in the process of electing new officers & 3 board of directors. *(the secretary does NOT have to be a female)!!*

Remember our health concerns. Fred Lail, Hoot Auton, Gary Huffman, Norris Turner and Charles Miller have all been in the hospital recently. Also remember Don Johnson and the St. Claire family. Please keep these & others in your thoughts & prayers.

Our club outing is Saturday, October 4th at Glenn Sigmon's place at the river. The meal, drinks & all the trimmings are furnished except for deserts. Each family should bring their favorite desert to share. The presentation of the funds will begin at 5:30 and we'll eat around 6 PM. The funds for the American Legion have already been presented at one of their meetings.

We had a fair turnout for the Old Soldiers Reunion Parade. We had 28 pieces of equipment there. There were 12 of our members gone to the Portland, Indiana show.

The 17 ½ HP half breed engine that was donated by Forest Greene is still being worked on at Teddy Hefner's place. His help includes Johnny Parsons, Ned Story, Kevin Black, Butch McIntire & Wayne Veit. They plan to have it completed and on display by the time of the outing.

The Rotary Club of Hickory is beginning to raise money for a very special project. The WW II Memorial in Washington, DC was completed in 2004. A very large number of veterans in our area have passed on without having seen this tribute. The goal of the Rotary Club is to send all veterans in Catawba County to Washington. The cost is \$500 for each veteran & \$200 for a caregiver. Our club would like to join this effort also. We would like to extend this opportunity to our members & their family first. There are several requirements, so please contact one of the officers for more information.

A message from the show committee – PLEASE RETURN ALL SIGNS!!!!

Up-coming Events:

- September 11th – Patriot Day
