**PRESERVING THE PAST FOR THE FUTURE !!**

Hi Fellow Members,

Jan./Feb. 2007

Well, we have a little less than 3 months to go until our 4<sup>th</sup> Antique Power Association Show & Tractor Pull!!! It will be here before you know it.

Let's remember our fellow members that are sick and have had surgery: Dale Sigmon, Gary Huffman, Don Hollar & Ken Isenhour. If you know of other members that are ill, please let one of the officers know.

As of the January meeting, we are 160 members strong, and continues to grow. Those who have not renewed yet, there is still time to do so.

Some of our members took equipment to the Southern Farm Show in Raleigh at the first of the month. They said there was a good turnout of tractors & other farm equipment. Also, several members went to the Florida Flywheelers Show this past weekend.

Our next meeting is this Thursday on March 1<sup>st</sup>. Please make plans to attend. Only 3 more till the show. Show committee meeting on March 15<sup>th</sup> at Sig's.

Please bring your list of equipment to the meeting this week or get it to one of the officers for pre-registration. You can also go to our web site to do this.

See you at the March meeting.
